

TRINITY UNIVERSITY

715 STADIUM DRIVE  
SAN ANTONIO, TEXAS 78212

January 11, 1967

To whom it may concern:

William Osmundsen is a student of mine in my sculpture and figure drawing classes at Trinity University. I have found in this young man a wonderful talent in modelling. He is very hard working, independent and intellegent. His drawings show great promise. He has a pleasant disposition and is a pleasure to work with.

Philip John Evett
